

**In The Retail Petroleum Construction Industry, Nothing Beats Experience.**

Since 1958 D.R. Mozeley, Inc. has constructed more than 1000 petroleum convenience stores. Over the past 50 years, we have built a reputation for efficiency and integrity that our clients have come to rely on in planning their new stores & expansions.

**We specialize in retail petroleum construction, from grading to handing over the keys.**

The equipment, special tanks, lines, pumps, buildings and canopies, along with stringent environmental concerns involved in this kind of construction, require specialized knowledge and expertise. Our long standing relationship with leading petroleum marketers acts as a testimony to how well we have performed over the years. Perhaps that's why 75% of our work is negotiated rather than bid.

**D.R. Mozeley has the people and equipment necessary to deliver your project to you on time and within budget.**

We have a permanent staff of over 60 specialists in grading, excavation, concrete, masonry, and petroleum equipment installation. In addition, these specialists work alongside project managers and supervisors with decades of experience.

**Let Us Make Your Next Retail Petroleum Construction Project Your Most Successful!**

Licensed to build in North Carolina, South Carolina, Virginia, West Virginia, Tennessee, and Georgia.
